

## Casino

### *American roulette:*

*It is one of the most popular casino games. It is a wheel with colored and numbered pockets. To determine the winning number a croupier spins the wheel in one direction and spins a ball in the opposite direction. The ball falls into one of the numbered pockets.*

### *Blackjack:*

*It is the most widely played casino game in the world. It is closely related to the games of Spanish 21 and Pontoon. It is a fascinating game because the player decides about his strategy each time the cards are dealt. Thus the game gives a player the feeling that he can influence the result and win the game.*
